ANNUAL SECURITY REPORT

PREPARATION OF THE ANNUAL SECURITY REPORT AND DISCLOSURE OF CRIME STATISTICS

Hillsborough Community College (HCC), Tampa, Florida, prepares this report in compliance with the Jeanne Clery Disclosure of Campus Security and Crime Statistics Act using information maintained by the HCC Department of Public Safety (DPS), and information provided by other College offices, including Student Affairs, Residence Life, Title IX, and others designated as Campus Security Authorities (CSA) as well as information provided by local law enforcement agencies surrounding each campus. Each of these offices provides updated policy information and crime data.

This report provides statistics for the previous calendar year (2023) concerning *reported* crimes that occurred on campus, in certain off-campus buildings or property owned, leased or controlled by HCC. This report also includes institutional policies concerning campus security, and policies regarding sexual assault, alcohol and other drugs.

HCC distributes a notice of the availability of this Annual Security and Fire Safety Report by October 1 of each year to every member of the HCC community. Anyone, including prospective students and employees, may obtain a paper copy of this report at the Public Safety Headquarters, located at the HCC Collaboration Studio, 1602 N 15th St., Tampa FL., Room 331, by contacting the HCC DPS at 813-253-7911 or by visiting: [Jeanne Clery Act | Hillsborough Community College \(hccfl.edu\)](https://www.hccfl.edu/jeanne-clery-act)

REPORTING CRIMES AND OTHER EMERGENCIES

HCC has several ways for campus community members and visitors to report crimes, serious incidents, and other emergencies to appropriate College officials. Regardless of how and where you decide to report these incidents, it is critical for the safety of the entire HCC community that you immediately report all incidents to HCC DPS at 813-253-7911 to ensure a thorough investigation and appropriate follow-up actions, including issuing a timely warning or emergency notifications.

Reporting to HCC's Department of Public Safety

We encourage all members of the HCC community to report all crimes and other emergencies in a prompt and accurate manner. In the event of an emergency or commission of a crime on or near college property, students, faculty and staff are directed to contact the appropriate law enforcement agency via 911 and then to contact the HCC DPS at 813-253-7911. Criminal incidents requiring attention beyond the authority of HCC DPS will be referred to the local law enforcement agency having jurisdiction over that location. Prompt reporting to HCC DPS will ensure that timely warnings or emergency notifications are issued to the HCC community when necessary, and the proper disclosure of crime statistics is provided.

Voluntary and Confidential Reporting

If crimes are never reported, little can be done to help other members of the community from also being victims. We encourage HCC community members to report crimes promptly and to participate in and support crime prevention efforts. The HCC community will be much safer when all community members participate in safety and security initiatives.

If you are the victim of a crime or want to report a crime, but do not want to pursue action within HCC or the criminal justice system, we ask that you consider filing a voluntary, confidential, report with the HCC DPS. Depending upon the circumstances of the crime you are reporting, you may be able to file a report while maintaining your confidentiality. The purpose of a confidential report is to comply with your wish to keep your Personally Identifiable Information (PII) confidential, while taking steps to ensure your safety and the safety of others. The confidential report allows the College to compile accurate records on the number and types of incidents occurring on campus. Reports filed in this manner are counted and disclosed in the Annual Security and Fire Safety Report.

Confidential reporting for Sexual Assault, Sexual Harassment, Stalking, Dating Violence and Domestic Violence may also be made at:

https://cm.maxient.com/reportingform.php?HillsboroughCC&layout_id=3

Additional information concerning Title IX can be found at: [Title IX | Hillsborough Community College \(hccfl.edu\)](https://www.hccfl.edu/title-ix)

In limited circumstances, the HCC Department of Public Safety and/or the Office of Equity and Diversity may not be able to ensure confidentiality and will inform you in those specific cases.

Anyone may call local law enforcement via 911 and/or call HCC's Department of Public Safety at 813-253-7911 to report crimes, suspicious behavior, or emergency situations. Callers may remain anonymous.

Guardian Mobile App

HCC provides all currently registered students and faculty/staff, the ability to download a mobile App. The Hawk Guardian App provides the user with several features. It allows users the ability to place emergency calls directly to 911 or directly to HCC Public Safety and the ability to send "Text Tips" directly to HCC Public Safety via text message.

The App also provides the user a "Safety Timer" which allows them the ability to have a virtual escort. The virtual escort is conducted by "Guardians" which the user identifies via the App. This App can be downloaded from the Apple App Store or the Google Play Store under "Rave Guardian". Only currently registered students or employed faculty/staff have the ability to provide tips or contact HCC Public Safety directly through the App.

Reporting to Other Campus Security Authorities

While the College prefers that community members promptly report all crimes and other emergencies to HCC Department of Public Safety or 911, we also recognize that some may prefer to report to other individuals or College offices. The Clery Act recognizes certain College officials and offices as "Campus Security Authorities (CSA)."

The Clery Act defines these individuals as "official of an institution who has significant responsibility for student and campus activities, including, but not limited to, student housing, student discipline and campus judicial proceedings. An official is defined as

any person who has the authority and the duty to act or respond to issues on behalf of the institution.”

HCC does not employ pastoral or professional counselors in this capacity.

SEXUAL HARASSMENT/SEXUAL ASSAULT - TITLE IX

The College has designated the Office of Equity Diversity and Special Programs to coordinate and ensure compliance with Title IX of the Education Amendments of 1972 (20 U.S.C § 1681), which is an all-encompassing federal law that prohibits discrimination based on sex in the educational programs of activities operated by a recipient of federal financial assistance. Sexual harassment of students, which includes acts of sexual violence including sexual assault, is a form of discrimination prohibited by Title IX.

If after investigation it is determined that discrimination or harassment has occurred, the College will undertake appropriate action. Hillsborough Community College Administrative Rules 6HX-10-2.14 & 6HX-10-2.15 as well as Administrative Procedures 2.03 & 2.05 define its policy prohibiting discrimination and harassment and its procedures for investigating and addressing such complaints, to include providing a complaint or grievance process.

Ms. Annazette Houston, Chief Diversity Officer, is the contact person for all Title IX and Discrimination complaints. She can be reached at 813-253-7043 or ahouston14@hccfl.edu. Her office is located at the District Administration Building , Room 309, 4115 N. Lois Avenue, Tampa FL 33614.

ABOUT THE DEPARTMENT OF PUBLIC SAFETY

Purpose, Authority, and Training

The Department of Public Safety (DPS) Public Safety Officers are not sworn law enforcement officers, do not carry firearms, and do not possess powers of arrest. The DPS strives to provide exceptional security, life safety, crime prevention, emergency medical and fire response services for the college. The DPS is responsible for providing security and safety for the entire College community on five primary campuses, three satellite sites, District Administration Center, Collaboration Studio, Tennis Center, Trinkle Center, and Hawks Landing Residence Complex, located in the City of Tampa, City of Plant City, and throughout Hillsborough County. The DPS Public Safety Officers provide cross-trained service 24 hours a day, 7 days a week, 365 days a year, consisting of vehicle patrols, bike patrols, foot patrols, and monitoring by a new state-of-the-art video surveillance camera network. The DPS created focused patrol Districts on each campus for improved visibility, deterrence of crime and misconduct, response times to incidents, responsibility ownership and accountability, and improved tracking of operational data. The DPS designed a new style patrol uniform for improved identification and authority. The DPS is now a member of the International Association of Campus Law Enforcement Administrators (IACLEA) for professional development with advanced and specialized training. The DPS just purchased enhanced equipment, including ATV campus patrol vehicles with essential equipment onboard, lights for darkness illumination, warning lights for incident scenes, reflective traffic cones, and law enforcement grade flashlights.

The DPS also staffs a 24/7/365 Central Dispatch Center with video surveillance and alarm monitoring in a centralized state-of-the-art communications center. The DPS communicates on a multi-channel interoperability radio system that is maintained by the Hillsborough County Sheriff's Office (HCSO), which allows DPS to communicate with all of our mutual aid partners throughout the County, the City of Tampa and the City of Plant City. The DPS is currently enhancing its radio frequencies dispatch system.

The DPS is staffed by Director of Public Safety, Manager of Public Safety, Administration and Operations Lieutenants, Campus Sergeants, Proprietary Public Safety Officers, Dispatchers, Staff Assistant, and Parking Services Specialist. Each of the five primary campuses has a DPS Office. Each Campus Sergeant also acts as a

routine liaison to the Campus President and Administration. Each campus office maintains its own found property storage.

A former combined staffing model of proprietary patrol officers and contracted patrol officers has been replaced with all proprietary patrol officers on all five campuses. Contracted patrol officers remain at the satellite locations. HCC also contracts with the Tampa Police Department and Hillsborough County Sheriff's Office to provide all law enforcement functions for special needs.

Relationship with Local, State, and Federal Law Enforcement Agencies

The DPS maintains an excellent working relationship with its law enforcement and fire/rescue mutual aid partners for effective interoperability. The Tampa Police Department and the Tampa Fire/Rescue Department provide services within the City of Tampa. The Hillsborough County Sheriff's Office and the Hillsborough County Fire/Rescue Department provide services in the unincorporated areas of Hillsborough County. The Plant City Police Department and Plant City Fire/Rescue Department provide services within the City of Plant City.

TIMELY WARNING REPORTS – CRIME ALERTS

HCC, once notified of a Clery Act defined crime (as detailed below), determines if and how a Timely Warning will be issued. The Clery Act requires that HCC alert the College community to certain crimes in a manner that is timely and will aid in the prevention of similar crimes. The intent of the Timely Warning is to enable the College community to be as safe as possible. The decision whether to issue a Timely Warning will be made on a case-by-case basis, considering all factors that include the nature of the crime, the continuing danger to the campus community, if any, and whether issuance of the Timely Warning will impede law enforcement efforts. The decision to publish a Timely Warning may be made by a team comprised variously of the Vice President for Student Services, Vice President for Administration, Director of Public Safety, College Counsel, Campus President(s), Executive Director of Marketing/Communications, Campus Deans, and the Executive Director of Human Resources.

The Executive Director of Marketing/Public Relations shall draft the contents of the Timely Warning with input from the Director of Public Safety. The actual issuing of the Timely Warning shall be made by the Executive Director of Marketing/Communications. HCC may use the **Hawk Alert** Mass Notification System as well as HCC Email to release the Timely Warning.

EMERGENCY RESPONSE AND EVACUATION PROCEDURES

Emergency Management at Hillsborough Community College

HCC maintains policies, procedures, and guidelines to respond to emergency situations. The College also maintains a revised and updated Continuity of Operations Plan (COOP) and can activate a newly developed Crisis Management Team (CMT), which consists of Executive Leaders representing all essential functions of the College. Moreover, HCC executed a Statewide Mutual Aid Agreement (SMAA) for assistance during major incidents.

Drills, Exercises and Training

HCC tests emergency response and reviews evacuation procedures. These tests include regularly scheduled drills, exercises, and appropriate follow-up activities, designed for assessment and evaluation of emergency plan capabilities. At various times per year, the College advertises its emergency response procedures to the HCC community through seminars, email and other publications and at least once in conjunction with a test of its emergency response and evacuation procedures. The DPS initiated new Active Assailant Response Training through IACLEA certified instructors during the fall, 2024, semester. The DPS will conduct a follow-up realistic Active Assailant live exercise, including moulage victims, during the spring, 2025, semester with IACLEA certified instructors and mutual aid partners in law enforcement, fire/EMS, and media.

Emergency Notification

HCC is committed to ensuring the campus community receives timely, accurate, and useful information in the event of a significant emergency or dangerous situation on College property or in the local area that poses an immediate threat to the health and safety of the College community.

Upon DPS confirming that a significant emergency or dangerous situation exists involving an immediate threat to the health and safety of students or employees on or near the college, an Emergency Notification shall be issued. The Emergency Notification may be issued to the entire College community or to a specific segment of the College community, such as an individual campus.

If in the judgment of the public safety supervisor an Emergency Notification needs to be issued, the public safety supervisor has the authority to activate the Hawk Alert notification system. If, in the professional judgment of the public safety supervisor, issuing an Emergency Notification may compromise efforts to assist a victim or to contain, respond to or otherwise mitigate the emergency a notification may not be issued. HCC may use the **Hawk Alert** mass notification system (which may include voice, text, email and scrolling messages) as well as College email to communicate an Emergency Notification.

SECURITY of and ACCESS to COLLEGE FACILITIES

HCC is a public institution that provides open access to all common areas of the College.

Most campus buildings and facilities are accessible to members of the College community, guests, and visitors during normal hours of business, Monday through Friday, and for limited designated hours on weekends and holidays. Access hours for academic buildings are based on the needs of the academic departments. Faculty and staff offices are not open to the public without an appointment and/or escort. The DPS provides routine, random patrols of all nonresidential College facilities 24 hours per day. Many areas of the College with limited access require a key or card swipe access. Card swipe access is monitored and recorded.

Special Considerations for Hawks Landing Housing Access

The Hillsborough Community College Foundation provides HCC student housing at the Hawks Landing Complex through a management contract with Peak Campus Management. A private contract security agency provides 24/7 security coverage for the property. Students and staff must present ID cards to access the property, and entrances are controlled by card access. All visitors must register with the desk attendant at the “Town Hall” prior to being admitted to the property and always escorted by their host. Students have a key that allows access to their own room. Additionally,

there are surveillance cameras located on the property in public areas to deter crime and help ensure the safety of all who reside or visit the complex. HCC has also contracted the Tampa Police Department to add an extra layer of security presence for residents at the Hawk's Landing Complex.

HCC'S RESPONSE TO SEXUAL AND GENDER VIOLENCE

Introduction

HCC is committed to creating and maintaining an environment in which all persons who participate in HCC programs and activities can be in an atmosphere free of all forms of harassment, exploitation, or intimidation. The College seeks to create an educational community in which the greatest academic potential of students and the professional potential of employees may be realized. Sexual harassment, sexual assault, sexual battery, sexual coercion, sexual abuse, gender-based harassment, stalking (including cyber-stalking), domestic violence, dating violence are all forms of gender-based misconduct, which can occur between strangers or acquaintances, including people involved in an intimate or romantic relationship. Sexual violence as defined by the Office of Civil Rights (OCR), refers to physical sexual acts perpetrated against a person's will or where a person is incapable of giving consent (due to student's age; use of drugs/alcohol or because of an intellectual or other disability prevents the student from having the capacity to give consent). Employees, students or third parties can carry out sexual violence. All acts of sexual violence are forms of sex discrimination and are prohibited by Title IX.

Every member of the HCC community should be aware that such behavior is prohibited by law and by College policy, and that HCC will not tolerate sexual misconduct in any form. The College will take appropriate action to correct and discipline behavior that is found to violate College policy or regulations prohibiting any form of sexual misconduct. This policy applies to all members of the College community, including students, employees, volunteers, independent contractors, visitors, and any individual regularly or temporarily employed, studying, living, visiting, conducting business, or having any official capacity at the College. Further, this policy applies to conduct occurring on HCC property or at College-sanctioned events or programs that take place off campus, including study abroad and internship programs, as well as at Hawks Landing. HCC is committed to providing a safe learning and working environment, and in compliance with federal law has adopted policies and procedures to prevent and respond to

incidents of sexual violence including sexual assault, domestic violence, dating violence and stalking. These guidelines apply to all students, faculty, staff, contractors and visitors. HCC policy on Sexual Harassment can be found at: [Harassment, Including Sexual Harassment: 6HX-10-2.11 | HCC \(hccfl.edu\)](#)

Reporting an Incident

According to the Office of Civil Rights, “all recipients of Federal financial assistance must designate at least one employee to coordinate their efforts to comply with and carry out their responsibilities under Title IX and must notify all students and employees of the designated employee’s contact information. HCC meets this requirement with a full-time Title IX Coordinator, who is housed in the Equity and Diversity Office and reports directly to the Chief Diversity Officer/Equity Officer. The Chief Diversity Officer/Title IX Coordinator is Ms. Annazette Houston, who reports directly to the College President. If a student, employee or visitor has been the victim of an incident of sexual violence, they should immediately report it to HCC Department of Public Safety by calling (813) 253-7911 or by contacting the Title IX Coordinator by calling 813-253-7043 or email TitleIX@hccfl.edu. In the case of an emergency or ongoing threat, if possible, get to a safe location and please report the incident to law enforcement by calling 911 or to any of the following:

- **Hillsborough County Sheriff’s Office** at 813-224-9911 (Brandon Campus, Regent Center, South Shore Campus or Ybor Campus Training Center.),
- **Tampa Police Department** at 813-223-1112 (Collaboration Studio, Dale Mabry Campus, District Administration Center, or Ybor City Campus),
- **Plant City Police Department** at 813-757-9200 (Plant City Campus),
- **Air Force Security Forces** at 813-828-3322 (MacDill Education Center).

Reports of all domestic violence, dating violence, sexual assault and stalking made to the College Public Safety Department will automatically be referred to the Title IX Coordinator for investigation regardless of whether the complainant chooses to pursue criminal charges.

HCC officials will assist any victim in notifying law enforcement if they elect to do so. Any student or employee who reports an incident of sexual violence, whether the offense occurred on or off campus, shall receive a written explanation of their rights and options. This written explanation identifies existing counseling, health, mental health, victim advocacy, legal assistance, visa and immigration assistance, and other services

available for victims, both within the institution and in the community; and describes options for available assistance in; and how to request changes to academic, living, transportation, and working situations or protective measures. The institution must make such accommodations or provide such protective measures if the victim requests them and if they are reasonably available, regardless of whether the victim chooses to report the crime to campus police or local law enforcement.

Under the Clery Act, crimes of gender violence have definitions that are uniform across the nation. Those definitions are provided later in this report.

A complainant may then meet with HCC Public Safety, the appropriate campus Dean of Student Services or Executive Director of Human Resources and the Title IX

Coordinator to develop a Safety Action Plan, which is a plan for HCC and the victim to reduce risk of harm while on campus or coming and going from campus. This plan may include, but is not limited to escorts, special parking arrangements, changing classroom location or allowing a student to complete assignments from home, etc. The College cannot apply for a legal order of protection, no contact order or restraining order for a victim from the applicable jurisdiction(s). The victim is required to apply directly for these services through the Clerk of the Circuit Court.

The College may issue an institutional No Contact Order, if deemed appropriate, or at the request of the victim or accused. To the extent of the victim's cooperation and consent, College offices will work cooperatively to ensure that the complainant's health, physical safety, work and academic status are protected, pending the outcome of a formal college investigation of the complaint. For example, if reasonably available, a complainant may be offered changes to academic, living, or working situations in addition to counseling, health services, visa and immigration assistance and assistance in notifying appropriate local law enforcement.

Victim Confidentiality

HCC recognizes the sensitive nature of sexual violence and is committed to protecting the privacy of any individual who reports an incident of sexual violence. Personal identifiable information about the victim will be treated as confidential and only shared with persons with a specific need to know who are investigating/adjudicating the complaint or delivering resources for support services to the complainant (for example, publicly available record-keeping for purposes of Clery Act reporting and other disclosures will be made without inclusion of identifying information about the victim, as defined in 42 USC 1395 (a) (20). Additionally, the institution will maintain as confidential, any accommodations or protective measures provided to the victim to the extent that maintaining such confidentiality would not impair the ability of the institution to provide the accommodations or protective measures.

The College does not publish the name of crime victims or house identifiable information regarding victims in the college public safety departments Daily Crime and Fire Log or online. Victims may request that directory information on file be removed from public sources by request to the office of the Vice President for Student Services and Enrollment Management at 813-253-7021.

Bystander Intervention & Risk Reduction

Bystanders play a critical role in the prevention of sexual and relationship violence. They are “individuals who observe violence or witness conditions that perpetuate violence. They are not directly involved but have the choice to intervene, speak up, or do something about it.” We want to promote a culture of community accountability where bystanders are actively engaged in the prevention of violence without causing further harm. We may not always know what to do even if we want to help. Below is a list of some ways to be an active bystander:

1. Watch out for your friends and fellow students/employees. If you see someone who looks like they could be in trouble or need help, ask if they are ok.
2. Confront people who seclude, hit on, try to make out with, or have sex with people who are incapacitated.
3. Speak up when someone discusses plans to take sexual advantage of another person.
4. Believe someone who discloses sexual assault, abusive behavior or experience with stalking.
5. Refer people to on or off campus resources listed in this document for support in health, counseling, or with legal assistance.

When you sense danger, or even feel something is potentially dangerous, dial 911. This could be when a person is yelling at or being physically abusive towards another and it is not safe for you to interrupt. Further information regarding bystander intervention may be found at:

Education & Awareness Programs

Throughout the year, programs designed to promote awareness are presented by a variety of college resources. Prevention programs include an overview of the College’s policies and procedures, relevant definitions, including prohibited conduct, discussion of the impact of alcohol and illegal drug use, effective consent, safe and positive options for bystander intervention, and information about risk reduction. Incoming students and new employees will receive primary prevention and awareness programming as part of their orientation. Returning students and employees will receive information on a periodic basis. HCC’s Title IX Coordinator will coordinate the education and prevention

calendar and provide programming to campus needs and climate in conjunction with the Campus Dean of Student Services/HCC Human Resources Department. All educational programs include a review of resources and reporting options available for students, faculty, and staff. As part of “Violence Against Women Reauthorization Act of 2013” and The Clery Act, educational programs at HCC are required to include:

A. Primary prevention and awareness programs for new students and new employees, including safe and possible options for intervention for a bystander(s):

- 1) A statement that HCC prohibits the offense of domestic violence, dating violence, sexual assault and stalking.
- 2) The definition of domestic violence, dating violence, sexual assault and stalking under Florida law.
- 3) The definition of consent under Florida Law, in reference to sexual activity; 4) Safe and positive options for bystander intervention that may be carried out by an individual to prevent harm or intervene when there is a risk of domestic violence, dating violence, sexual assault, stalking or any form of sexual misconduct against a person.
- 5) Information on risk reduction to recognize warning signs of abusive behavior and how to avoid potential attacks; and
- 6) Ongoing prevention and awareness programs for HCC’s students, faculty and staff.

B. Training for the Title IX Coordinator, Public Safety Officers, HCC designated “Responsible Employees”, victim advocates, and other staff involved with responding to, investigating or adjudicating sexual misconduct will be conducted annually.

Conduct Proceedings

HCC strictly prohibits all acts of sexual assault, domestic violence, dating violence, and stalking. In addition to facing criminal action, any student found responsible for violating the policy on sexual misconduct is subject to the Code of Student Conduct and Disciplinary Procedure and may be subject to disciplinary sanctions ranging from probation to expulsion, depending on the incident. HCC reserves the right to broaden or lessen any range of disciplinary sanctions depending on the circumstances of each case. HCC will determine the appropriate corrective action.

All conduct proceedings, whether the conduct is reported to have occurred on or off campus, shall provide a prompt, fair and impartial investigation and resolution by

officials who have received annual training on the nature of the types of cases they are handling, on how to investigate, and how to conduct a hearing in a manner that protects the safety of victims and promotes accountability. Determination of responsibility shall be made by the Dean of Student Services or the Executive Director of Human Resources using the preponderance of the evidence standard (which means that it is more likely than not that the alleged misconduct occurred).

In all proceedings, including any related meetings, both the accused and accuser are entitled to the same opportunities to have others present including the right to be accompanied by an advisor of their choice, although HCC may establish rules on the participation by the advisor. Both the accused and accuser shall simultaneously be informed in writing of the outcome made by the Dean of Student Services or the Executive Director of Human Resources of procedures for appealing the results of the outcome, of any change to the results that occurs prior to the time that they become final, and when such results become final. Disclosure of the outcome shall be made to both parties unconditionally, and each shall be free to share or not share the details with any third parties. For additional information about student conduct proceedings please consult the Code of Student Conduct available at:

[Student Handbook | Hillsborough Community College \(hccfl.edu\)](http://hccfl.edu)

For additional information about employee conduct proceedings, please consult HCC's Administrative Procedures on discipline/applicable collective bargaining agreement available at:

Personal Safety

Theft, disorderly conduct, and alcohol related offenses are very common on college campuses. However, they don't stand-alone. Despite law enforcement's efforts, serious crimes do occur on campuses. It is important to report any suspicious incidents to DPS or local police and always remain alert and vigilant.

One of the more serious crimes that too often is unreported is Sexual Assault. It is important to know what these crimes are, because in many cases, victims do not realize they have been victimized. Additionally, crimes of this nature are very difficult for victims to report for a number of very complex reasons. We provide the following information to assist those help who may have been victims of sexual assault or who have a friend who has been sexually assaulted.

There are many guidelines to help you be more alert and aware of the situation to prevent such serious crimes.

Such as:

Know your surroundings

- Be alert
- Call for help
- Report any suspicious people and/or activity, immediately

Rape and Sexual Assault Victim Information

Earlier in this report, HCC provided definitions of gender violence. Victims often have difficulty reporting a sexual assault for numerous reasons such as knowing the perpetrator, fear of retaliation, fear of parents knowing about the incident, and fear of getting in trouble with law enforcement. Despite these concerns, it is vital to report such incidents in order to get help.

The following information provides steps to follow should a sexual assault occur:

- Get to a safe place as soon as possible!

- Try to preserve all physical evidence – The victim should not bathe, shower, brush teeth, douche, use the toilet, or change clothing until she has a medical exam. Contact a close friend or relative, if available, who can provide support and accompany the victim to the medical exam and/or police department. Advocates from the Women’s Resource Center can be available to the victim to provide support.
- Get medical attention as soon as possible – An exam may reveal the presence of physical injury of which the victim is unaware. Following a sexual assault, antibiotics are typically given at the time of the exam to help prevent the victim from acquiring certain sexually transmitted diseases. Emergency contraceptive pills are offered to all victims at the time of the exam (if the victim presents within 120 hours) to help prevent pregnancy from occurring as a result of the rape. If the victim reports memory loss, loss of consciousness or other circumstances suspicious for a drug-facilitated assault, a urine test may be done if the victim presents within 96 hours. Some of the commonly used “date rape” drugs, however, are only detectable in the urine for 6-8 hours after ingestion.
- Contact the police – Sexual assault is a crime; it is vital to report it. It is important to remember report a crime is not the same as prosecuting the crime. The decision to prosecute may be made at another time. Final decision to prosecute is determined by the Office of the State Attorney.
- Consider talking to a counselor – Seeing a counselor may be important in helping the victim understand his/her feelings and begin the process of recovery.

Our Commitment to Addressing Sexual Assault/Rape

The College does not tolerate sexual misconduct or abuse, such as sexual assault, rape or any other forms of nonconsensual sexual activity. Sexual misconduct in any form violates the Code of Student Conduct, College policies and may violate Federal and State Laws. Violations of this policy are subject to disciplinary sanctions through the Dean of Student Services or the Executive Director of Human Resources Office. All sexual assault victims have the following rights:

- Both parties may have others present during the disciplinary proceeding and any related meeting, including an advisor or support person of their choice. This person is not entitled to represent the person.

- A complainant has the right to present his or her case. This includes the right to adequate, reliable, and impartial investigation of complaints, the right to have an equal opportunity to present witnesses and other evidence, and the right to the same appeal processes, for both parties.
- A complainant has the right to be notified of the time frame within which: (a) the College will conduct a full investigation of the complaint; (b) the parties will be notified of the outcome of the complaint; and (c) the parties may file an appeal, if applicable.
- A complainant has the right for the complaint to be decided using a preponderance of the evidence standard (i.e., it is more likely than not that sexual misconduct occurred).
- Both parties have the right to be notified, in writing, of the outcome of the disciplinary proceedings at the same time.
- As noted in the Clery Act, both parties are to be informed of the outcome, including sanction information, of any institutional proceeding alleging a sex offense. HCC may not require a complainant to abide by a non-disclosure agreement, in writing or otherwise.
- The grievance procedures may include voluntary informal methods (e.g., mediation) for resolving some types of sexual misconduct complaints. However, the complainant must be notified of the right to end the informal process at any time and begin the formal stage of the complaint process. In cases involving allegations of sexual assault, mediation is not appropriate.

College Procedures for Responding to Reports of Sexual Assault

If you or someone you know is the victim of a sexual assault, the victim has several rights, including:

- The right to report the incident to DPS, the Office of Equity Diversity and Special Programs where the Title IX Coordinator is located or local authorities. HCC will assist victims in notifying either HCC Public Safety or local police. Filing a police report does not mean the victim must pursue criminal charges. The victim maintains his or her rights throughout the process.

- There are several community service and health organizations that can provide counseling, mental health, and other related services to sexual assault victims. Through the Offices of the Dean of Student Services or the Executive Director of Human Resources, students or employees can obtain assistance if requested.
- If a victim of a sexual assault or relationship violence incident requests a change in her or his living arrangements or academic schedule, the Office of Student Services, and other offices at the College, will assist the individual with making these changes, if they are reasonably available.

College Disciplinary Procedures in Sexual Assault Incidents

HCC Student Code of Conduct process is designed to afford a complainant (the person who is bringing a charge) and a respondent (the person who is answering a charge) a fair, prompt, and appropriate resolution process. The process is designed to help persons who need support as they address these incidents.

The Office of Student Services manages the proceeding in which a student is the alleged perpetrator. The full text of the protocol for how the College responds to sexual assault complaints through the campus conduct process can be obtained from any Dean of Student Services office and the student services web page. The Executive Director of Human Resources is responsible for managing proceedings for those cases in which an employee is the respondent.

In determining whether the alleged conduct constitutes sexual harassment or assault, the full context in which the alleged incident occurred must be considered. In any case, both the complainant and the respondent are entitled to the same opportunities to have others present during any disciplinary proceeding. Both the complainant and the respondent will be informed of the outcome of any proceeding.

During any sexual assault complaint proceeding, the College has a range of sanctions available. Those sanctions may range from probation to expulsion from the College, depending upon the nature and circumstances of the specific incident.

Sex Offender Registration – Campus Sex Crimes Prevention Act

In accordance with the “Campus Sex Crimes Prevention Act of 2000”, which amends the Jacob Wetterling Crimes Against Children and Sexually Violent Offender Registration Act, the Jeanne Clery Act and the Family Educational Rights and Privacy Act of 1974, HCC is providing contact information to the State of Florida Sex Offender

Registry. Federal and state laws require a person designated as a “sexual predator or offender” to register with the Florida Department of Law Enforcement (FDLE). FDLE is required to notify the local law enforcement agency where the registrant resides, attends or is employed by an institution of higher learning.

Students, faculty, and staff may access information about sexual predators/offenders at: <http://offender.fdle.state.fl.us/offender/Search.jsp>. To conduct a search by College or University: [FDLE - Sexual Offender and Predator System \(state.fl.us\)](http://fdle.state.fl.us/offender/PredatorSearch.jsp)

FDLE has also established a toll-free number (1-888-FL-PREDATOR) or (1-888-357-7332) that allows the public to request information about Sexual Predators and Sex Offenders living in their communities and around the state.

CAMPUS SECURITY POLICIES, CRIME PREVENTION & SAFETY AWARENESS PROGRAMS

In addition to the many programs offered by the DPS and other College offices, the HCC has established several policies and procedures related to ensuring a reasonably safe campus community. These policies include:

HCC Threat Assessment Team

HCC also maintains a Threat Assessment Team (TAT) that immediately assesses threats and behaviors of concern that may impact the College community. The TAT provides an online reporting tool for members of the HCC community to report behavioral concerns. For more information, refer to: <https://www.hccfl.edu/support-services/public-safety/speak-hcc>

Missing Student Notification Policy

The Higher Education Act of 2008 requires institutions that provide on-campus student housing to establish a missing student notification policy and procedure for those who reside in the on-campus housing. HCC takes student safety very seriously. To this end, the following policy has been established concerning students who live in college-owned campus housing and who, based on the facts along with circumstances known at the time to college officials, are presumed to be missing. Anyone who believes a student to be missing should contact the Department of Public Safety at 813-253-7911, a Student Housing Resident Advisor or any College official. Any report made to the College will be followed up with an immediate investigation to

determine whether the student is missing in cooperation with local law enforcement. The person providing the report to DPS will immediately refer reports made to a Housing Security Officer, Resident Advisor or any College official.

At the beginning of each semester, students will be asked to provide, on a voluntary basis, emergency contact information, which will be used solely for missing persons' purposes, while the student is enrolled at HCC. This emergency information will be kept on file by the Assistant to the Dean (Student Life Programs). Contact information shall be updated each semester. The student is responsible for ensuring that the contact information is up to date and accurate.

If a student is determined to be missing and has designated a contact person, the contact person will be notified no later than 24 hours after the determination by DPS or local law enforcement that the student is missing. If a missing student is under the age of 18, and not an emancipated individual, the College is also required to notify the *parent or guardian* of the missing student no later than 24 hours after the determination by College Public Safety officials or local law enforcement that the student is missing.

The DPS will immediately notify the appropriate local law enforcement agency when the student is determined to be missing. The Dean of Student Services at the Dale Mabry campus or his/her designee will notify the appropriate emergency contact person listed for a missing student.

Most missing person reports in the College environment result from students changing their routines without informing roommates and/or friends of the change. For the purposes of this policy, a student will be considered missing if a roommate, classmate, faculty member, friend or other person has not seen or heard from the person in a reasonable amount of time. In general, a reasonable amount of time is 24 hours, but may vary with the time of day and information available regarding the missing person's daily schedule, habits and reliability. There is no requirement for the DPS to wait 24 hours to notify local law enforcement of a missing person. Individuals will also be considered missing immediately if their absence has occurred under circumstances that are suspicious or cause concern for their safety.

Daily Crime and Fire Log

The College maintains a public Crime and Fire Log at DPS Headquarters located at the HCC Collaboration Studio, 1602 N. 15th St Room 331, Tampa, FL. The Crime and Fire

Log is available for public inspection (during normal business hours). The log contains all crimes on HCC Clery reportable property and any fires at Hawks Landing residential facility that have been reported to the department of public safety. The appropriate information is logged in the Crime and Fire Log within two business days of it being reported. The Crime and Fire Log shall contain the required reporting information for the most recent 60 days. Crime and Fire Log information older than 60 days shall be furnished upon request within 2 business days.

Crime Prevention and Safety Awareness Programs

To promote safety awareness, the DPS maintains a strong working relationship with the community. The DPS regularly conducts crime prevention seminars and presentations at student events, faculty/staff seminars and in-service trainings. The department also maintains a website with crime prevention information and resources. The DPS conducts escorts to members of the College community as requested. The DPS take a proactive, visible and community approach to providing safety and security services.

ANNUAL FIRE SAFETY REPORT

The Higher Education Opportunity Act requires institutions that maintain on-campus student housing facilities to publish an annual fire safety report that contains information about campus fire safety practices and standards of the institution. The following report details all information required by this act for HCC.

Fire Safety Definitions

The following terms are used within this report. Definitions have been obtained from the Higher Education Opportunity Act:

On-Campus Student Housing – A student housing facility that is owned or controlled by the institution or is located on property that is owned or controlled by the institution and is within a reasonable contiguous area that makes up the campus.

Fire – Any instance of open flame or other burning in a place not intended to contain the burning or in an uncontrolled manner.

Hawks Landing Residence Fire Drills

Fire Drills for the entire Hawks Landing Student Housing Complex are conducted each semester. All occupants and staff are required to vacate the building and report to the assigned marshaling area.

Fire Safety

HCC takes Fire Safety very seriously and continues to enhance its programs to the College community through education, engineering and enforcement. Educational programs are presented throughout the year to faculty, staff and students so they are aware of the rules and safe practices. These programs, which are available at all campus locations, include identification and prevention of fire hazards, actual building evacuation procedures and drills. In addition, specific occupant response to fire emergencies and hands-on use of fire extinguishers.

HCC maintains and tests all fire alarms and automatic fire suppression systems in accordance with the appropriate National Fire Protection Association (NFPA) Standard to insure system readiness and proper operation in the event of a fire emergency.

HCC has adopted and developed numerous Safety Policies and Guidelines to help promote a safe living and work environment at all College locations. These policies, guidelines and other fire safety information can be accessed on the Internet at:

<https://hccfl.sharepoint.com/sites/risk-management>

Additional protection is provided by DPS & contract security who are trained for initial response to fire incidents occurring at college facilities. Officers aid in building evacuation and extinguishment/confinement of small fires. In addition, laboratory safety and evacuation plans are also part of the Risk Management mission. Risk Management is dedicated to maintaining the safety of our community by conducting annual inspections, plan reviews, and evacuation drills of all laboratories on campus.

Fire Safety Education and Training Programs for Students, Faculty and Staff

Risk Management in coordination with Student Life Programs provides training to Resident Assistants.

Topics addressed during this training include:

- Fire prevention in the residence hall
- What to do in the event of a fire
- How to report a fire or other emergency
- How Hawks Landing fire safety systems operate

Resident Assistants coordinate additional fire safety training and education programs for Hawks Landing resident students.

Other general safety and fire safety information is available to students, faculty and staff on the Risk Management web site at: <https://www.nfpa.org/Public-Education>
