

Internal Articulated Credit Agreement Technical Programs Statewide Career Certificate to AAS/AS/PSAV

Basis for Articulation	Receiving Academic Program	Total Credits
Statewide Articulation Agreement	AS Nursing	10

In a continuing effort to serve the post-secondary transitional needs of students in technical and career programs, Hillsborough Community College agrees to extend college credit for the following Statewide Career Certificate: Practical Nursing. The certification noted herein reflect specific levels of skill attainment as identified through a set of technical competencies and as validated by rigorous industry examinations. The academic integrity of the associated competencies has been evaluated by HCC faculty and are determined to be in alignment with those of the receiving degree program. The articulated credits will be applied towards the Associate in Science, Nursing degree as delineated below:

Statewide Career Certificate	Hillsborough Community College Courses	Credit Hours
Practical Nursing	NUR 1020 Fundamental Concepts of Nursing Practice	4
	NUR1020L Fundamental Concepts of Nursing Practice Clinical	2
	NUR 1003 Transition Specialty Course	4

*To be eligible for articulation, the student must show evidence of the certification and it must have been issued within three (3) years prior to enrollment in the HCC program. This agreement is effective as of February 1, 2019 and will be reviewed again on June 30, 2024

*An original form of documentation must be presented to an HCC representative before articulated credit can be requested. However, a copy of the certification can be used for internal processing of the articulated credit form.

Florida Department of Education

Postsecondary Adult Vocational (PSAV) to AAS/AS Degree Articulation

Statewide Agreement Worksheet Summary

PSAV Program Name: Practical Nursing

PSAV CIP Number: 035.1390101

PSAV Program Number: H170607

AS Degree Name: Nursing R.N.

AS CIP Number: 1351.380100

Admission Requirements: Students entering the Associate in Science Program in **Nursing R.N.** must have a standard high school diploma or its equivalent, or a CPT Eligible Certificate of Completion. Students must meet the requirements of State Board Rule 6A-10.0315, FAC Common Placement Testing and Instruction. Unless otherwise exempt, students earning scores less than those listed in the rule shall be advised of all the developmental education options offered at the institution and, after advisement, shall be allowed to enroll in the developmental education option of his or her choice

Other admission requirements: Students must enter the Associate in Science Degree program within five years of their completion dates. Students must meet the college's entry, residency, completion and academic requirements.

Validation Mechanisms: Completion of a Practical Nursing program in Florida, and current Florida licensure as a Practical Nurse.

School district technical college/center and state college faculty committee met and agreed to propose that the **1350** clock hour program in **Practical Nursing** shall articulate **ten (10)** college credit hours to the AS Degree in **Nursing R.N.** This agreement does not preclude but encourages the awarding of additional credits by any college through local agreements.

State College: AS in Nursing R.N.

Total AS Degree Program 72 credit hours

Will award course credits or a block of credit toward the AS program for 10 (ten) hours of college credit.
