Introduction, HCC Strategic Plan, and Fast Facts

Introduction

The Division of Strategic Planning and Analysis is pleased to present the *HCC Factbook 2024*.

The Institutional Research staff analyzed and assembled the data printed in this document. However, the *HCC Factbook* is produced in collaboration with many other departments throughout the College. We wish to thank the staff in the Controller's Office, Facilities Planning and Construction, the Foundation, Human Resources, Information Management and Reporting, and Purchasing.

The *HCC Factbook* utilizes the College's SAS Visual Analytics (SAS VA) system to report much of the data presented in the following pages. This robust business intelligence system allows the College to easily access information and provides improvements on how *Factbook* data has been accessed in the past.

Any errors or omissions are the sole responsibility of the Director of Institutional Research and Grants. If you have any questions or comments about this publication or wish to make suggestions for next year's edition, please contact Sarah Thomas, Director of Institutional Research and Grants, at sthomas152@hccfl.edu.

HCC subscribes to equity, access, diversity, and inclusion. To learn more, visit <http://www.hccfl.edu/equity>.

The Strategic Plan of Hillsborough Community College

The Biennial Planning Process calls for a strategic plan consisting of mission and vision statements as well as college goals to establish direction for the institution and a report of college performance. All elements of the strategic plan are approved by the chief governing entity of the college – the Board of Trustees.

Mission

Adopted by the Board of Trustees, May 22, 2019

To **transform lives** by providing open access to an exceptional teaching and learning environment that inspires students to contribute to the local community and global society.

Vision

Adopted by the Board of Trustees, May 22, 2019

To promote a thriving community in which students achieve their full potential by providing access to an affordable, innovative, high quality, and lifelong education.

Values

Adopted by the Board of Trustees, May 22, 2019

As one college, we dedicate ourselves to –

Student Success

Helping our students achieve their full potential by providing exceptional teaching and support services.

Service

Supporting the economic and cultural vitality of Tampa Bay through dynamic programming and partnership.

Inclusion

Building a diverse environment where all backgrounds, beliefs and experiences are welcomed.

Sustainability

Embracing our role as a responsible steward of the social, environmental and economic resources that have been entrusted to us.

Integrity

Operating with transparency, accountability and the highest level of professionalism.

Innovation

Fostering a culture that welcomes the exploration of new ideas and creative endeavors.

College Goals and Strategic Initiatives

Adopted by the Board of Trustees, May 27, 2020

Goal 1: Student Success

Advance achievement of learning outcomes and educational goals for all students.

- A. Implement a college-wide early alert system to increase student retention and graduation.
- B. Increase the fall-to-fall retention rate of college credit students to 55%.
- C. Increase the college completion rate to 47%.
- D. Increase the percentage of transfers holding an HCC associate degree to 25%.
- E. Equal or exceed the grade point average of native Florida public university students by associate in arts transfers.
- F. Achieve or exceed an 85% first-time pass rate for any individual licensure or certification exam.
- G. Exceed 90% of all workforce graduates that are employed or continuing their education within one year of completion.

Goal 2: Talent Development

Foster partnerships that position all programs as catalysts for regional economic impact.

- A. Contribute to the increase in educational attainment in Hillsborough County of those holding a postsecondary credential to 60% of the working age population by 2025.
- B. Develop and implement the first baccalaureate degree no later than 2025 to meet local labor market demand in nursing.
- C. Expand public-private funding partnerships to support programmatic delivery.
- D. Develop a comprehensive marketing strategy.

Goal 3: Continuous Improvement

Continuously improve programs and services through a systematic and ongoing process of strategic planning, assessment, and evaluation in which a “culture of evidence” guides our direction.

- A. Design and execute an Academic Master Plan that anticipates and responds to community needs.
- B. Enact systemic changes that align college operations, budgets, and tactical plans with the mission, values, goals, and strategic initiatives.
- C. Successfully complying with the revised 2017 *Principles of Accreditation* of the Commission on Colleges during the Fifth Year Review concluding in 2022.
- D. Reassess the adequacy of the Ellucian Colleague ERP (Enterprise Resource Planning software) to meet college needs.

Acronym Guide

Below is a listing of commonly used acronyms throughout the Factbook. A full glossary is available in Appendix B.

- A.A.: Associate in Arts degree
- A.S.: Associate in Science degree
- ATC: Advanced Technical Certificate
- ATD: Applied Technology Diploma
- CCC: College Credit Certificate
- EPI: Educator Preparation Institute
- FCS: Florida College System
- FTIC: First Time in College
- FTE: Full-Time Equivalent
- PSAV: Postsecondary Adult Vocational program
- PSV: Postsecondary Vocational program

- Year Founded: 1968
- Service Area: Hillsborough County, Florida

- Total Enrollment (2023-24): 45,064
- Fall 2023 enrollment by full-time/part-time status (credit students):
 - Full-time: 33.4%
 - Part-time: 66.6%
- Total FTE Enrollment (2023-24): 20,918.7
- 4th largest public community college in Florida in lower-division FTE enrollment
- 4th largest public community college in Florida in annual unduplicated headcount
- 2nd largest higher-education institution in Hillsborough County by enrollment
- Total Completions (2023-24): 6,789
 - Credit Completions: 6,388
 - A.A. Completions: 2,533
 - Workforce Completions: 4,234
 - Non-Credit Completions: 399
- HCC ranks in the top 10 of all FCS schools for total number of completions, number of A.S. completions, PSAV completions, PSV & ATC completions, and EPI completions in 2022-23, according to the 2024 State Factbook

- Tuition (2024-25):

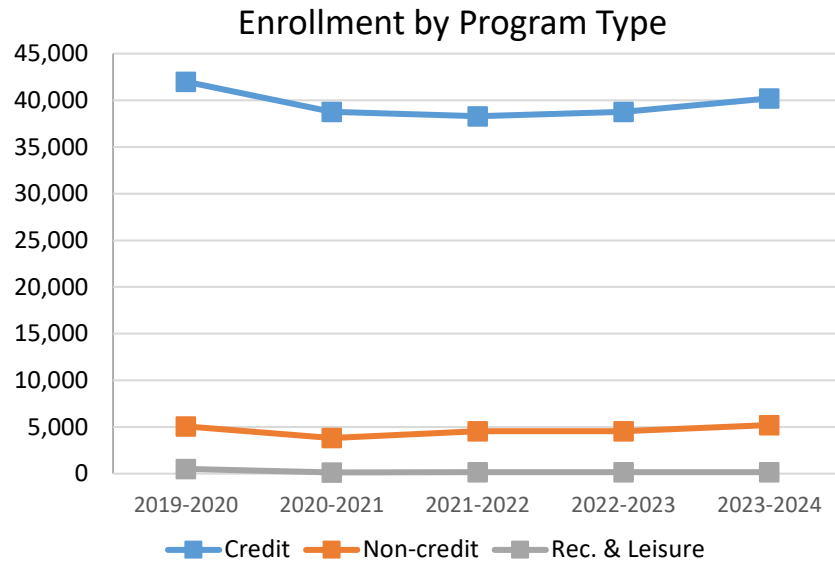

<u>Credit Courses</u>	
Florida Residents	\$104.39 per credit hour
Non-Florida Residents	\$379.61 per credit hour
<u>Non-Credit Courses</u>	
<i>Postsecondary Adult Vocational</i>	
Florida Residents	\$78.98 per credit hour
Non-Florida Residents	\$314.68 per credit hours
<u>Baccalaureate Courses</u>	
Florida Residents	\$126.08 per credit hour
Non-Florida Residents	\$476.77 per credit hour

- FY 2024-25 Operating Budget: \$161.3M
- Campus Facilities:
 - Campuses: Brandon, Dale Mabry, Plant City, SouthShore, Ybor City
 - Centers: HCC-MacDill, HCC @ The Regent, TECO at Ybor City
- Faculty and staff employed by HCC (2023-24):
 - 961 Faculty (328 full-time, 633 part-time)
 - 1,133 Staff (710 full-time, 423 part-time)

Section II:
Annual College Profile

Unless otherwise noted, data comes from the 2023-2024 State Student Database data, which is available in SAS Visual Analytics. Unless otherwise noted, totals are unduplicated at the total line level. Adding all categories together may result in a duplicated amount.

Hillsborough Community College had a total annual unduplicated headcount of 45,064 in 2023-2024.

	2019-20		2020-21		2021-22		2022-23		2023-24	
Credit	41,992	89.3%	38,776	91.4%	38,297	89.9%	38,759	89.8%	40,195	89.2%
Non-Credit	5,062	10.8%	3,818	9.0%	4,535	10.7%	4,566	10.6%	5,209	11.5%

Distance Learning

The courses used to determine distance learning meet the state’s definition of at least 80% of direct instruction delivered using some form of technology where the student and the instructor are separated by time and/or space. Enrollment in distance learning grew rapidly in the 2010s. Most recently, however, the number of distance learning sections offered by HCC has increased by 0.2%, from 4,794 in 2022-23 to 4,805 in 2023-24. The number of sections offered online are still more than what was offered pre-pandemic.

Historical Headcount - Duplicated & Unduplicated

*Courses that began as in-person in the Spring 2020 semester and subsequently moved online due to the COVID-19 pandemic are not counted as distance learning in the 2019-20 reporting year.

**The vast majority of course sections were distance learning in the 2020-21 reporting year due to the COVID-19 pandemic.

Dual Enrollment

Dual enrollment allows high school students to earn credit towards a postsecondary diploma, certificate, or degree at a Florida public institution and toward a high school diploma. Students who successfully complete dual enrollment courses will save time toward their college degree, save money with free tuition, and receive free textbooks if a public school student.

Historical Headcount - Duplicated & Unduplicated

Degree & Certificate Completions

	College Credit Completions	PSAV Completions	Total Completions

Licensure Exam Pass Rates

HCC prepares students for many occupations that require passing a licensure or certification exam as evidence that competency has been obtained prior to employment in the field. The table below shows the percentage of students in allied health and public service that passed their licensure or certification exam on the first attempt, along with the number of first-time test takers.

Although many programs allow graduates to sit for licensure exams more than once, passing on the first attempt is viewed as more of a direct indicator of the student's learning attributable to the institution.

Section III:

Education in Hillsborough County

Public School Enrollment

The Hillsborough County School District was the 7th largest district in the nation in fiscal year 2022. Five of the ten largest public school districts in the country are located in Florida: Miami-Dade (4th), Broward (6th), Hillsborough (7th), Orange (8th), and Palm Beach (10th).

Source: Census Bureau 2022 Public School Finances

Source: Florida Department of Education’s PK-12 Education Information Portal, Student Enrollment Report

Since 2013-14, the Pre-K through Grade 12 enrollment in Hillsborough County has increased from the previous year, with the exception of a small decline in 2020-21 and 2023-24. The green line shows the percentage of growth from one year to the next. In 2023-24, enrollment decreased slightly (-0.2%) over the previous school year.

Hillsborough County Public High School Graduates

The chart below shows the historical number of graduates each year since 2012-2013 (solid line) along with the projected number of graduates from public Hillsborough County schools through 2027-2028 (dotted line). The Florida Department of Education projects that the number of graduates will narrowly decline, with a steady state period in 2027-2028.

Source: Florida Department of Education

Hillsborough County Higher-Education Enrollment: Fall 2022

The schools listed below are all postsecondary institutions that are listed in the U.S. Department of Education’s IPEDS database as offering certificates, associate degrees, and/or bachelor’s degrees in Hillsborough County. The number of undergraduates and the total number of students are displayed for each institution that reported its enrollment.

The table shows the importance of understanding enrollment data. IPEDS is a commonly cited source of data that provides snapshots of enrollments and many other institutional data at predetermined points in time. The census date for enrollment data is usually October 15th. IPEDS data include *only* fall semester enrollment. IPEDS data reflects the total number of undergraduate students enrolled and the total number of students enrolled on the IPEDS census date.

Source: Florida Department of Education Articulation Reports, Fall 2023

*Total includes all schools, including those masked for confidentiality

These first-time-in-college students graduated from a Hillsborough County public high school in the 2021-2022 academic year and enrolled at a postsecondary institution in the 2022-2023 academic year.

Only students who took at least one college placement test are reported by the FLDOE. Data are displayed only for schools where the number of graduates are available and enrollments at HCC are reported. The largest number of graduates who came to HCC in the 2022-2023 year came from Tampa Bay Tech, Bloomingdale and Alonzo high schools.

Section IV:
Florida College System

Annual Unduplicated Headcount

This table presents the unduplicated headcount (defined as number of students served) by each of the 28 colleges that make up the Florida College System (FCS). The table includes both lower- and upper-division courses for colleges that offer baccalaureate degrees.

HCC had the fifth-largest enrollment in the FCS in all the years presented in the table below. The College's unduplicated headcount represents 7.0% of the FCS total in 2022-2023.

Funded Lower-Division Full-Time-Equivalent (FTE) Enrollment

Headcount and full-time equivalency (FTE) are two methods of describing enrollment at an institution. Headcount counts students without regard to the number of courses or credits in which they are enrolled. Alternatively, FTE is a calculation that equates to one student enrolled full-time for one year. In Florida’s public higher-education system, one FTE is defined as 30 credit hours or 900 clock hours. Not all states define FTE the same way. Only lower-division FTE is included in the table below for comparability to HCC.

Florida College System Program Completions

The following tables shows degree production across the FCS by various degree types. Each table is sorted by the number of degrees produced in the 2022-2023 academic year. HCC ranks in the top ten across the FCS for the number of AS completions, PSAV completions, PSV completions, EPI completions, and total number of completions for the 2022-2023 year.

All data below come from the Florida College Systems Fact Books 2020 through 2024.

Appendix A: College History

Chronology of College Presidents

1968-1970	R. William Graham
1970-1976	Morton S. Shanberg
1977-1980	Frank Scaglione
1980-1983	Ambrose Garner
1983-1996	Andreas A. Paloumpis
1997-2010	Gwendolyn W. Stephenson
2010-Present	Ken Atwater

The College's Place in Florida's Community College System

The Florida State Legislature established the Community College Council in 1955 to recommend long-range plans for development of a system of junior colleges strategically situated across the state. The Council recommended that 28 community junior colleges be established to put higher education within easy commuting distance of virtually all Florida residents.

Hillsborough Junior College (HJC) became the 27th educational institution to be organized under the master plan. The College was founded on October 4, 1967, when Governor Claude Kirk appointed a Junior College Advisory Committee to the Hillsborough County Board of Public Instruction. Dr. R. William Graham was appointed the founding president in March 1968.

Jurisdiction was then transferred from the public school system to an appointed board of trustees, and in July 1968, the Advisory Committee became HJC's first official Board of Trustees. Kendrick Hardcastle III and James W. Gray were appointed chairman and vice chairman, respectively. Richard Elson, Gibbs Harris, and James "Ray" Thompson completed the five-member board.

A comprehensive curriculum was developed in summer 1968 for implementation in the fall term. Academic programs included all courses necessary to enable a student to complete an Associate in Arts degree and transfer with junior standing to one of the state universities. Other career programs were offered in data processing, secretarial science, and drafting and design technology. HJC was accredited by the Florida State Department of Education.

Six full-time administrators, seventeen full-time faculty, and seventy part-time instructors were hired to carry out the plan. The budget for the 1968-1969 fiscal year was \$1.1 million.

The Formative Years

On September 30, 1968, 1,625 charter students began taking late afternoon and evening classes in temporary facilities at Hillsborough High School.

Students who resided in Hillsborough County paid \$7 per credit hour. Those living outside of the county paid \$10 per credit hour. Out-of-state students paid \$18 per credit hour. The maximum charge per semester was \$70, \$100, and \$180, respectively, regardless of how many classes the student took.

By the fall term of 1969, 3,254 students were enrolled at HJC's six locations: Hillsborough, Plant, and Plant City high schools, and Washington, Webb, and Horace Mann middle schools. An additional 500

students participated in the College's community services program that included non-credit classes, seminars, and workshops.

The Formative Decade: The 1970s

HJC applied for accreditation by the Southern Association of Colleges and Schools (SACS) as a candidate institution in 1969.

The College experienced phenomenal growth and change during the 1970s. HJC held its first commencement on Thursday, June 18, 1970, at the Leto High School Theater. Of HJC's 231 graduates, 59 took part in the event.

The state donated 75 acres of land to HJC for a permanent campus on Dale Mabry Highway, enabling the College to offer daytime classes in relocatable buildings on the site. The city of Plant City donated 80 acres for the Plant City Campus in February 1970. The dedication ceremony took place in December 1970. HJC also purchased 52 acres of land from the city of Tampa to establish the Ybor City Campus.

HJC took occupancy of the Gordon Keller School of Nursing complex on September 30, 1970, from the Hospital and Welfare Board. The title was officially transferred on January 1, 1971. The complex now serves as the College's District Office. The entire facility was donated to the College; however, the agreement called for HJC to pay \$500,000 to the city of Tampa relative to capital improvement bonds.

More than 5,100 students enrolled in the fall 1970 term, placing HJC ninth in total enrollment among the state's 27 community colleges. The number of faculty jumped to 88.

The Board of Trustees officially changed the College's name to Hillsborough Community College (HCC) on December 9, 1970, to more accurately reflect the College's philosophy and mission.

Dr. Morton R. Shanberg became HCC's second president in 1970.

Student fees for all Florida residents were raised to \$9 in summer 1971; Hillsborough County and out-of-county students no longer paid different fees. The fees for out-of-state students were raised to \$11 per credit hour.

HCC was awarded its initial accreditation by SACS in 1971. That fall the College offered 35 technical and occupational programs in areas such as business, technology, health, and public service. Classes took place during the day, evening, and on weekends.

In 1972, construction on the Dale Mabry Social Sciences Building was completed. The Plant City Campus got its start in a Publix Supermarket building, moving to its permanent site on North Park Road. The Hillsborough High School center moved to the former Tampa Municipal Airport, and ground was broken on the Ybor City Campus.

Twenty-one acres at Cockroach Bay were donated by Tampa Electric Company to HCC for use as an environmental center in 1973, and HCC hosted the first annual conference on coastal restoration. The Dale Mabry Campus Humanities Building was completed that year. Enrollment reached approximately 8,000 in 1973. Full-time faculty and administrative staff numbered 191.

By the 1974-1975 academic year, students were ensconced in permanent quarters at the Dale Mabry Campus. Classes held at the former Tampa Municipal Airport were moved to the Administration Building, the first permanent building on the Ybor Campus. The Ybor Faculty Building was also completed that year. In Plant City, classrooms and staff offices were housed in relocatable quarters. Enrollment had risen to approximately 10,000, and the annual College budget was \$14.2 million.

By 1975, enrollment had reached approximately 11,500. Full-time faculty and staff had surpassed 450. Around this time, the maximum fee-per-semester policy was eliminated; students now paid for the total number of credit hours in which they were enrolled.

Frank Scaglione was named the third HCC President on September 15, 1977.

HCC's 10th Anniversary

When HCC celebrated its 10th anniversary in 1978, enrollment in credit and non-credit classes numbered 12,200. The College was operated by 278 staff members and 222 full-time faculty. Student fees were \$12 for Florida residents and \$27 for out-of-state students. Occupancy in Plant City's first permanent building took place in 1977.

The 1980s and 1990s

The 1980s heralded in a new era for HCC. Dr. Ambrose Garner was named the College's fourth president in 1980.

The Brandon Learning Center opened on March 2, 1981, in relocatable buildings at Hanley Park on South Kings Avenue.

By 1983, when HCC celebrated its 15th anniversary, more than 100,000 students had taken advantage of the College's academic offerings. Enrollment exceeded 14,500, and full-time staff and faculty members numbered more than 500. Dr. Andreas Paloumpis was appointed HCC's fifth president in 1983.

In 1984, Sabal Corporation donated 40 acres of land for what was to become the permanent Brandon Campus. The Brandon Learning Center was moved from Hanley Park to the Pinebrooke Business Park, adjacent to the future Brandon Campus site.

The first two floors of the Technology Building on the Dale Mabry Campus were completed in 1985. The Learning Center at MacDill Air Force Base opened in 1986. The Dual Enrollment program began with 62 students in four classes. HCC acquired the English Creek property in eastern Hillsborough County in 1987. Groundbreaking for the permanent Brandon Campus took place in 1989. HCC purchased an adjacent 40 acres of land in 1991 for anticipated expansion of the campus.

HCC celebrated its 25th anniversary in 1993.

The College started providing training for law enforcement officers as one of the state's 41 Criminal Justice Institutes.

The College's second permanent environmental center at English Creek was dedicated in 1993.

Dr. Gwendolyn Stephenson became HCC's sixth president in 1997.

The VISION Corporate Training Center was established in 1998, later became The Corporate Training Center @ HCC (TCTC) in 2004 and is now the Institute for Corporate and Continuing Education.

The Public Services Building at the Ybor City Campus was completed in 1998 and now houses the law enforcement and fire academies. HCC purchased the La Benefica Building, adjacent to the Ybor City Campus, to make room for a dance studio and a child care center. HCC classes at MacDill Air Force Base moved into new facilities on the base.

The New Millennium

In 2002, HCC opened a University Partnership Center, a co-located branch of the University of Florida College of Agricultural and Life Sciences at the Plant City Campus. The agriculture-related program offers four University of Florida bachelor's degrees and one master's degree on site to HCC graduates.

Sixty acres in southern Hillsborough County were donated to HCC in 2002 for a permanent campus in one of the fastest-growing areas in the county. The SunPoint Learning Center opened near Ruskin and operated as a satellite of the Brandon Campus.

A dental lab was completed on the Dale Mabry Campus in 2003.

Also in 2003, the Florida Legislature appropriated funds for the John R. Trinkle Center on the Plant City Campus. The joint-use center opened in 2006 as a result of collaborative efforts between HCC and Plant City.

HCC's SACS accreditation was reaffirmed for ten years in 2007 with zero recommendations for improvement.

The SunPoint Learning Center relocated to the College's permanent SouthShore Campus in 2008. Hawks Landing, HCC's first student housing complex, opened in 2008 at the Dale Mabry Campus. To accommodate the changing needs of students in the 21st century, distance learning and eCampus has expanded to include telecourses, web courses, and interactive video conferencing.

HCC celebrated its 40th year of service in 2008-2009.

In December 2009, HCC purchased the former Heidt Building in Ybor City. Renamed Collaboration Studio, the building currently provides space for professional development classrooms, state-of-the-art computer and medical labs, a dance and fitness center, conference center, and classrooms. In 2010, a new Student Services Building opened on the Ybor City Campus.

Dr. Ken Atwater became HCC's seventh president on July 1, 2010.

The Dale Mabry Campus received a \$3.13 million U.S. Department of Education Title V Developing Hispanic-Serving Institutions (HIS) Grant in 2010. In 2011, the Campus received a \$4.5 million HIS-STEM Grant from the U.S. Department of Education. Both grants will enhance the College's ability to educate, retain, and graduate Hispanic and at-risk students.

As a part of HCC's commitment to reducing our carbon footprint, the College partnered with Zimride to offer students, faculty, and staff a way to network with others in the community to share a ride to campus or events.

In 2010–2011, students of color became the population's majority (over 50%).

On behalf of HCC, Dr. Atwater signed the national Completion Agenda, a call to action to “promote the development and implementation of policies, practices, and institutional cultures that will produce 50% more students with high-quality degrees and certificates by 2020.”

The grand opening of the newly renovated Ybor City Campus Training Center took place in May 2011. The building hosts the Autobody Collision and Automotive Service programs and the Police and Fire Academies. The Brandon Community Advantage Center (HCC @ The Regent) also opened in 2011 as a satellite location of the Brandon Campus.

In addition to new mission and vision statements, values statements were formalized and subsequently adopted in 2012 by the HCC Board of Trustees, to include as components of the College’s strategic plan.

Renovation of the Science Building at the Plant City Campus was completed in summer 2014 to provide state-of-the-art facilities for students, faculty, and staff. To meet the needs of a rapidly growing student population at the SouthShore Campus, groundbreaking for a new building took place in 2014. The grand opening of the Science and Technology Center took place on August 24, 2015. Resurfacing of the 134,000-square-foot Technology Building at the Dale Mabry Campus started in May of 2014 and was completed in 2015. The renovation included remodeling of the Health Science Auditorium.

The 2010s

HCC’s Dale Mabry Campus received a \$5.98 million grant award from the U.S. Department of Education Hispanic-Serving Institutions Science, Technology, Engineering, and Mathematics (HSI STEM) and Articulation Programs in September 2016. The HSI STEM Program provides funding to colleges and universities to enhance academics designed to increase the number of Hispanic and other low-income students attaining degrees in STEM disciplines.

A new articulation program between HCC and USF was initiated following a student success summit held in San Antonio, TX, in September 2014. The program, known as FUSE, was designed to increase associate degree completions prior to transfer and to promote the timely completion of the baccalaureate degree. The pilot program was launched in fall 2016. On October 21, 2016, the program was expanded when presidents from seven colleges in the Florida State College System signed a Letter of Intent to join a FUSE consortium with USF.

In 2016, HCC and the Board of Trustees explored adding a student to the Board as someone who could provide guidance from a student perspective. Luis Mesias was sworn in as the first student on the Board of Trustees on August 23, 2017, after an extensive search process.

HCC broke ground on a new Allied Health building at the Dale Mabry Campus on October 5th, 2017. The four-story, 62,670-square-foot building will contain a simulated hospital allowing multiple health science programs to work together, creating conditions found in real-life situations. It will house facilities for the emergency medical services, medical laboratory science, nursing, and respiratory care programs. The facility will provide space for classroom instruction and hands-on learning using the latest technology employed by the health sciences field.

HCC’s SACS accreditation was reaffirmed for ten years in 2017 and is effective through 2027.

HCC celebrated its 50th anniversary during the 2018-2019 academic year, releasing a new College mission, vision, and values statement as part of the celebration.

On August 19th, 2019, the Drs. Kiran and Pallavi Patel Allied Health Building officially opened for classes on the Dale Mabry campus. A ribbon-cutting ceremony was held on September 20th, 2019. The four-story, 62,670 square foot building houses the Emergency Medical Services, Medical Laboratory Science, Nursing, and Respiratory Care programs. The building is also equipped with a simulated hospital to allow programs to work together in creating real-life scenarios.

The 2020s

In March 2020, the COVID-19 pandemic halted in-person classes at the College and saw an unprecedented movement to fully virtual class and work environments for the duration of the academic year. The College continued to offer a historically large number of class sections online during the 2020-21 academic year. As of the 2021-22 academic year HCC has started to transition back to more in-person course sections while still offering a larger variety of online sections compared to pre-pandemic years.

The HCC Foundation had a record net assets valuation in the 2020-21 year -- \$17.2 million.

In the summer of 2021, HCC received state approval to offer its first Baccalaureate degree in college history, a Bachelor of Science in Nursing (BSN). SACS approved HCC as a Baccalaureate-granting institution on June 16th, 2022. The first cohort for the BSN degree started in the fall 2022 semester.

In January 2023, HCC's District offices moved off Davis Islands and next to the Dale Mabry campus. This has been the first institutional relocation in HCC history.

In February 2023, HCC hosted a successful SACS on-site visit for the Baccalaureate level change initially approved in 2022 and received final Level II approval on June 15th, 2023. With this action, HCC may develop baccalaureate degrees in addition to the BSN.

HCC's grant portfolio valuation reached a record \$37.0 million in 2022-23.

Appendix B: Glossary of Terms

This glossary includes official Florida College System definitions in blue.

Academic Year	For most state reporting purposes, an academic year is the three-term period that begins with the summer term and ends with the spring term the following calendar year. For example, 2015-2016 includes the three terms that began in May 2015 (summer) and continued into August 2015 (fall) and January 2016 (spring). However, financial aid is reported for fall, spring, and summer. The financial aid year for 2015-2016 included fall 2015, spring 2016, and summer 2016.
Articulation	The bringing together of various parts (levels) of the educational system to facilitate the smooth transition of students through the system.
Associate in Arts Degree (AA)	Two-year degree that is designed to transfer to an upper-division institution.
Associate in Science Degree (AS)	This degree, which focuses on technical skills, is designed for students who want to enter a specific employment field. Although some programs and courses are transferrable, AS programs are not designed for transfer to a four-year institution (There are some exceptions.)
Associate in Applied Science Degree (AAS)	Two-year technical degree indicating that a student has trained in a particular field and is prepared for employment.
Advanced Technical Certificate (ATC)	Students seeking an ATC must have already received an Associate in Science degree and are seeking an advanced specialized program of study to supplement their associate degree. A program of instruction consists of at least nine (9) hours and less than forty-five (45) credit hours of college-level courses.
Applied Technology Diploma (ATD)	Courses that are a part of an AS or AAS degree and lead to employment in a specific occupation. An ATD may consist of either vocational credit or college credit.
Apprenticeship Training	Structured vocational skill training in a given job through a combination of on the job training and classroom instruction.
Audit	A grade awarded to students who enroll in credit classes for enrichment but not for credit. Audit grades are not used to compute GPA.
Board of Trustees	The corporate body of persons appointed by the governor as the operating board for a community college.
Campus	An institutional and administrative unit of a community college, consisting of college-owned or unowned facilities and staff primarily by full-time personnel, housing a full range of instruction and support services sufficient to accommodate at least 1,000 Full-Time Equivalent (FTE) students.
Center	An instructional and administrative unit of a community college, consisting of college-owned or unowned facilities and staffed primarily by full-time personnel, housing a limited range of instructional and support services.
College Credit	The type of credit assigned to courses or course equivalent learning that is part of an organized and specified college degree and/or program.
College Credit Certificate (CCC)	Short-term career education program which is part of an AS or AAS degree.

College Preparatory Institute	Courses through which a high school student who applied for any college credit program may attain the communication and computation skills necessary to enroll in a college credit institution. Section 1004.02(11) Florida Statutes (F.S.)
Completer	A student who finished a planned sequence of courses or competencies designed to meet an academic or vocational occupational objective and has met all the requirements of the institution for program completion.
Continuing Workforce Education	The classification of instruction designed to improve the job skills of employed persons. It may be tailored to a given employer or job (customized), or it may have broader applicability.
Course Load	The number of credit or clock-hour courses taken by a student.
CPT (Computerized Placement Test)	The CPT is the state-approved entry-level test required for first-time-in-college students.
Credit	A unit of measure assigned to courses or course equivalent learning.
District	The geographical area served by a community college, which ranges from one to six counties.
Drop/Add	A designated time period during which students can drop or add classes and make adjustments in their schedule without penalty or cost.
Dual Enrollment	Enrollment of an eligible secondary student or home education student in a postsecondary course creditable toward high school completion and a career certificate or an associate or baccalaureate degree.
Educator Preparation Institute (EPI)	Instructional institute located at self-selected postsecondary institutions, including community colleges, upon approval by the Department of Education in order to provide any or all of the following instruction: professional development for teachers for classroom improvement and for recertification purposes, training for substitute teachers, paraprofessional instruction, and competency-based instruction for baccalaureate degree holders leading to professional teacher certification. Educator Preparation Institutes provide an alternative route to teacher certification for mid-career professionals and college graduates who were not education majors.
Fall Term	At HCC, the term of an academic year that begins in August and ends in December.
First-Time-in-College	A student attending college for the first time with no credit toward a degree or formal award from any other institution who is enrolled in a course in an instructional area that leads to a degree or certificate.
Fiscal year	At HCC, the period beginning July 1 and ending June 30, generally used for financial and accounting purposes.
Freshman	Any student in a planned program of college-level courses who has earned less than 24 semester hours at the time of registration.
Full-Time Equivalent (FTE)	FTE is a measure of enrollment and serves as a basis for state funding. It is calculated using student semester hours divided by 30 for credit courses; instructional clock hours are divided by 900 for non-credit courses. Recreation and leisure courses do not generate FTE.
General Freshman	A general freshman is a person who intends to achieve a degree or certificate but has not completed 25% of the intended program.
Headcount	The number of students – may be duplicated or unduplicated.

Institutional Accreditation	Accreditation of the institution as a whole. All public community colleges in Florida are accredited by the Southern Association of Colleges and Schools (SACS).
Institutional Support	Activities that support executive and financial management, general administration or logistical services, planning and institutional research, or community/public relations.
Lifelong Learning	The classification of noncredit instruction of a community service nature, other than recreational and leisure time, or the retaking of a course under specific circumstances.
Lower Division	College attendees at the freshman or sophomore level.
Matriculation Fee	The instructional fee paid by both resident and nonresident students per credit or credit equivalent.
Mean	An average of the individual numerical data values that describes the performance of a group of individuals. The mean is computed by finding the sum of all numerical data values and dividing by the number of individuals.
Median	A data value that identifies the middle value of a group of data. The median is the point at which a group of data is divided in half (50% above and below).
Native Student	A student who started as a freshman and remained in the same institution, as opposed to a transfer student.
Part-Time	A part-time student is one who takes less than 12 credit hours during a fall or spring term.
Postsecondary Adult Vocational Program (PSAV)	(Certificate Career Education) Job preparatory programs, excluding Continuing Workforce Education through which a student received a vocational certificate upon completion of instruction.
Postsecondary Vocational Program (PSV)	(Degree Career Education) College credit job preparatory programs, through which a student received an Associate in Science or Associate in Applied Science Degree, College Credit Certificate, Applied Technology Diploma, or an Advanced Technical Certificate upon completion of instruction.
Program	(1) A defined sequence of courses leading to a recognized award including degree, certificate, diploma, GED, etc. (2) A set of activities designed to promote a specific goal.
Recreation and Leisure	The classification for noncredit, usually short courses, designed to enhance recreation and leisure.
Registration Fees	All instructional and other fees collected during the registration process.
Sophomore	Any student in a planned program of college-level courses who has earned 24 or more hours at the time of registration.
Statute	A law enacted by the legislature.
Student Support	Those activities provided by the college to assist and provide services for current and potential students. Some examples are counseling and advisement, student admissions and records, organized athletics, placement services, student services administration, financial aid administration, and veteran services.
Transfer Student	A student who attended one or more colleges as a regular student in addition to the one in which currently enrolled, as opposed to a native student.
Tuition Fee	The instructional fee paid by nonresident students per credit or credit equivalent in addition to the matriculation fee.
Unclassified Student	A student who is taking credit courses but who is not a candidate for a degree or other formal award.
Upper-Division	College attendees at the junior and senior level.

Vocational Certificate	The award for satisfactory completion of a job preparatory program of noncollege-level courses.
Vocational Credit	The type of credit assigned to courses or course equivalent learning that is part of an organized and specified vocational degree or certificate program.
