Are there other limitations to enrollment? The guaranteed issue amount is the amount of Insurance that you may elect without providing evidence of insurability.

If you enroll during this enrollment period, your coverage is provided to you on a guaranteed issue basis – no medical information is required. If you enroll after this enrollment period, evidence of insurability will be required for all coverage amounts.

This coverage, like most group benefit Insurance, requires that a certain percentage of eligible employees participate. If that group participation minimum is not met, the Insurance coverage that you have elected may not be in effect.
