New Student Orientation for Graduating High School Seniors & Parents

May 14th 12:30-4:00 pm

SGA Participation

SGA Clubs are encouraged to set up tables along the perimeter of the cafeteria (tables will be set up on that day). The goal is to connect new students to clubs and SGA. Promotional material that summarizes what each club represents and basic/contact information is encouraged. All set up must be complete by 12pm.

WHAT WILL HAPPEN AT roadtrip

- Students will arrive and check in at the tables, get nametags and packets. Then they will go to the cafeteria for lunch.
- **Lunch:** Students will go through the tables in the cafeteria, be ready to answer questions, mingle with the students during lunch and represent your clubs.
- **General Orientation Session** (SGA Leaders be ready for a mini commercial/overview of SGA opportunities on campus—3 minutes). If you have photos/video—even better. Let Nikky know what you will do.
- **VIDEO COMMERCIAL:** We will be making a video of all the SGA clubs and would like you to send via email:
  - At least 10 photos of your group (the best ones that represent the organization)
  - 5 powerful words that describe what your club is about
  - 2 or three lines that summarize your club mission/purpose, etc.

IF YOU ARE INTERESTED, PLEASE EMAIL NIKKY ASAP.... WE WILL NEED TO SHOOT A CLUB REPRESENTATIVE ON CAMPUS NO LATER THAN WEDNESDAY TO INCLUDE THE FOOTAGE IN THE VIDEO (30 SECONDS). IF YOU DO NOT HAVE A REPRESENTATIVE, YOUR CLUB WILL BE MENTIONED, BUT NOT FEATURED.

- **Breaks:** SGA/Club Reps are encouraged to interact with students and help as greeters/walkers/helpers.
- **Sessions:** There will be a breakout session where students will be taught to register by groups. Any students that want to be available to help others in the computer labs navigate Hawknet would be appreciated.

If you are interested in participating in any of these, please contact
