**PURSUE ALL OTHER ALTERNATIVES FIRST**

The federal government requires that you complete the FAFSA to determine eligibility for any need-based financial aid including Federal Direct loans. You should also pursue any potential scholarships and grants from your school, as well as external sources. Part-time employment is a great alternative to borrowing while at the same time acquiring valuable experience.

**GET THE FACTS ABOUT EACH LOAN PROGRAM**

What are the maximum loan amounts? What can the loan be used for? What fees are deducted from the loan check? When does the loan go into repayment? What is the interest rate? Does the interest accrue while I am in school? What is the cost of deferring interest payments? How much are monthly payments and how long do I have to pay? Under what conditions can the loan be deferred or cancelled? What are the consequences of default?

_A loan is a legal binding obligation. Don’t sign a promissory note until you know the answers to the above questions._

The answers to these questions are found in the Application and Promissory Note under the heading “Borrower’s Rights and Responsibilities.” If you have further questions about the terms of the loans, you may contact HCC’s Financial Aid Office, the guarantee agency, or the U.S. Department of Education.

**WHAT ARE FEDERAL DIRECT LOANS?**

Fall 2010 term, Hillsborough Community College began participating in the William D. Ford Federal Direct Loan Program (Direct Loans) for all Federal Stafford and Parent PLUS Loans.

By participating in the Direct Loan program, Hillsborough Community College ensures that you are guaranteed access to student loan funding because dollars are received directly from the federal government. The Direct Loan Program also provides the best borrower benefits available at this time. We believe that the Direct Loan model is easy for families to understand. Having ONE source for student loan funds reduces the confusion and complications for students, provides “one stop shopping”, more timely loan disbursements, and better customer service.

If you are a borrower you will need to complete a Federal Direct Loan Master Promissory Note if you plan to borrow money for 2011-2012.

Please go to our Financial Aid Website at [www.hccfl.edu/ssem/financialaid.aspx](http://www.hccfl.edu/ssem/financialaid.aspx) and select loans, then Master Promissory Note. This will only need to be completed ONCE while you attend Hillsborough Community College. You will need your Federal PIN number to complete your Master Promissory Note.

WHAT IS THE DIFFERENCE BETWEEN A SUBSIDIZED AND UNSUBSIDIZED STAFFORD LOAN?

THE FEDERAL DIRECT SUBSIDIZED LOAN

This loan is based on financial need that is determined by using a federal formula. A loan is “subsidized” when the government pays the interest for students during the following periods:

- while students are enrolled in school at least half-time;
- during periods of authorized deferments;
- during the six-month grace period after the student stops attending school at least half-time.

THE FEDERAL DIRECT UNSUBSIDIZED LOAN

This loan is not based on financial need and is available to all students regardless of income. Because this loan is not subsidized by the government, the student is responsible for any interest that accrues during in-school, grace and deferment periods. The student may choose to make all interest payments while in school or may defer and accumulate (capitalize) the interest until repayment.

SOME TERMS OF THE LOAN

- Fees: Two types of loan fees are deducted from the gross amount of each loan check. The U.S. Department of Education charges a 1% origination fee and a .5% insurance fee.
- Repayment: The repayment of principal begins automatically six months after the student drops below half-time attendance.
- Interest Rate: For Federal Direct Loans first disbursed on or after July 1, 2010. From July 1st, 2010 through June 30th, 2011, the interest rate on new Federal Direct Subsidized Loan is 3.4% and Federal Direct Unsubsidized is 6.8%.

WHAT IS A MASTER PROMISSORY NOTE (MPN)?

The Master Promissory Note (MPN) is designed to make the loan process simple and straightforward. All students that borrow in the 2011-2012 school year must complete a new MPN with the U.S. Department of Education. The U.S. Department of Education will use the MPN for the duration of your education at HCC.

Here is the link to the Direct Loan Master Promissory Note site:

HOW DOES THE NEW ONLINE PROCESS WORK?

• HCC gathers your loan information and transmits the request to the U.S. Department of Education.
• The U.S. Department of Education sends you an email message confirming your loan amount and step-by-step instructions on how to access your MPN online. If you do not have an email address, the U.S. Department of Education will mail you a confirmation letter with this information and how to request a paper MPN.
• Once online, you will be able to complete, sign, and submit your own MPN. By processing your MPN online, the delivery of funds to HCC after HCC receives the funds can take up to two weeks for the funds to be credited to the Higher One Card.

WHEN WILL I ACTUALLY RECEIVE MY LOAN FUNDS?

• If your loan funds are received by the college prior to the drop/add date, and if funds remain after institutional charges are paid, your balance will be placed on your HCC One Card seven days from drop/add date.
• If your funds are received by the college after the drop/add date, your loan funds will be placed on your HCC One Card within 10 days from the date the college credits your account.

CAN I CANCEL MY STAFFORD LOAN?

• You may cancel the Federal Direct Loan at any time within 14 days from the date the college credits your student account. Please contact any Campus Financial Aid for your questions or if you need special assistance in understanding the new Federal Direct Loan process.
