CODE OF STUDENT CONDUCT AND DISCIPLINARY PROCEDURE

I. PURPOSE

In order to maintain an educational environment to meet HCC’s mission and goals, HCC has established a Code of Conduct for students that requires respect, integrity and civility in all College-related activities by all members of the HCC student community.

This Code of Conduct “CODE” is intended to protect HCC, its academic and social community, and its property from harm resulting from acts of its students.

Both individuals and student organizations are expected to follow a code of responsible behavior and to observe HCC rules, policies and procedures, as well as, all federal, state and local laws and guidelines.

This Code outlines prohibited conduct and provides for imposing of appropriate discipline to students whose acts are in violation of prohibited conduct through hearing procedures affording both prompt disciplinary determinations and appropriate due process to the alleged student violator.

HCC students may also be accountable to law enforcement authorities, as well as to the College, for acts that constitute violations of laws as well as violations of this Code. In such events, College disciplinary actions will proceed notwithstanding any pending criminal proceedings. Similarly, dismissal or acquittal of concurrent legal proceedings will not necessarily result in dismissal of College disciplinary actions.

The College recognizes its responsibility to act to protect the safety and well-being of the campus community. The range of student misconduct which could harm persons and property on campus is also broad. Accordingly, these regulations are to be interpreted broadly to effect fully the protection of the HCC community. This Code is intended to define prohibited offenses and to give students notice of the behavioral standards expected of them. It is not meant to define misconduct in exhaustive terms or be all inclusive. HCC may take action concerning student conduct for off-campus/site conduct if the conduct is associated with HCC events, activities or if the conduct imposes a threat to safety or security of the HCC community or threatens to undermine HCC’s educational process.

II. JURISDICTION

HCC has jurisdiction over student misconduct that occurs on HCC premises and/or HCC-sponsored activities, which includes all activities at both the Hawk’s Landing student housing complex, and it may also address off-campus behavior if HCC determines that the behavior, or the continued presence of the student, impairs, obstructs, interferes with or adversely affects the mission, processes, operation or functions of the College. Any student who commits a criminal act or violates any provision of this Code may be subject to College discipline. HCC may pursue disciplinary action against a student at the same time the student is facing criminal charges for the same offense, even if criminal prosecution is pending, has
been dismissed or the charges have been reduced.

HCC will fully enforce this Code at Hawks Landing and will enforce discipline for prohibited conduct as outlined in this Code at Hawks Landing.

The College shall enforce the provisions of Section 1006.62, Florida Statutes and the Code.

III. COLLEGE POLICY ON STUDENT VIOLATIONS OF LAW

On-Campus misconduct constituting a criminal offense will be immediately reported to the Public Safety Office who will contact law enforcement. If a student's illegal act is also in violation of this Code, proceedings will be instituted under this Code. If the College itself is a victim of the illegal act, the college may file a complaint against the student with local law enforcement and take all actions available through the legal system. HCC may take conduct action against a student for off-campus conduct if it is required by law to do so, if the conduct arises from HCC activities, or if the conduct poses a significant threat to the safety or security of the college community, or if the conduct poses a significant threat of undermining the college's educational process.

The Department of Public Safety is responsible for investigating all student violations of the law that occur on campus, and should be notified immediately upon detection of any such violation. As soon as practical upon receipt of such notification, a Public Safety officer shall advise the appropriate civil law enforcement authority of such violation and that an investigation is being made. The Department of Public Safety shall take whatever action may be necessary, legal and proper within the scope of its authority with respect to such violation, for the protection of persons and property on campus, and shall cooperate fully with the law enforcement authorities in the apprehension of suspects, preservation of evidence, aid to victims and all other aspects of the case. Complainants should prepare a complete factual incident report after the occurrence of each violation and a copy thereof sent to the Department of Public Safety. Said reports shall be prepared whether or not the violation is also investigated by a civil law enforcement authority. If the student violates an ordinance on state, federal or foreign country law that is not associated with a college program or activity, or on HCC property, HCC will not take action and will allow applicable laws to impose any fine/penalty.

c. The Dean or designee will inform the student of the decision and/or sanctions in writing within ten (10) business days.

d. The matter is closed with no appeal with the exception of suspension or expulsion.

6. The burden of establishing facts in mitigation of expulsion or suspension will be upon the alleged violator:

   a. If the student does not request to be heard by the CCCC within the five (5) day period, the Dean of Student Services shall recommend the sanction of suspension or expulsion to the Campus President and advise the student in writing.

2. If, after due notice of the alleged violations and date of hearing, the student fails to appear and the majority of the CCCC is satisfied that the student had appropriate notice of the charge and date of the proceeding and no valid excuse for not appearing, the CCCC may then hold the hearing without the student present.

3. Decisions in all cases shall be determined by a simple majority vote of the members present.

4. The CCCC shall follow the Rules Governing Procedures of the CCCC and Procedural Rights of Individuals Charged (see Section 8). In addition, the CCCC may adopt any other procedural rules that are not inconsistent with these rules in order to assure a fair and impartial hearing, and shall file a report containing
findings of fact and conclusions as to the validity of the alleged violations. The report, along with recommendations shall be filed with the Dean of Student Services. If the hearing was conducted in the absence of the individual charged, the report shall so indicate.

Administrative Suspension—Pending the completion of the hearing before the CCCC, the status of the alleged violator of the Code within the college shall not be altered unless his/her continued involvement or presence on campus is found by the Dean of Student Services to constitute a serious threat to the College community or to the property of the College.

B. Jurisdiction: The CCCC shall be the principle college-wide disciplinary committee with jurisdiction to review student suspensions or expulsions. After careful deliberation, the CCCC will recommend appropriate action to the Campus Dean of Student Services, and Campus President. The committee may choose to sustain, modify, or dismiss the sanctions imposed upon the student.

C. The College Code of Conduct Committee shall have the authority to prescribe supplementary rules of procedure consistent with the requirements contained herein. The College Code of Conduct Committee may also, on request, render written advisory opinion concerning the meaning and application of this code, or of the rules and regulations promulgated pursuant to this code.

Hillsborough Community College (HCC) will only use your social security number (SSN) as needed for lawful purposes within the business of HCC and for those specific purposes identified by the Social Security Administration, the Internal Revenue Service and other state and federal regulatory agencies. The SSN will not be used in any information system as the primary identification of individuals unless required by law. HCC is committed to provide security for our students, faculty and staff; and recognizes that the threat of identity theft is a growing problem. HCC departments that are authorized and required to collect, transmit, store or use a SSN will do so in a secure manner. Violations of this policy may result in disciplinary action up to and including discharge or dismissal in accordance with HCC rules and procedures.

In compliance with Section 119.071(5), Florida Statutes, this document serves to notify you of the purpose for the collection and usage of your SSN.

HCC collects and uses your SSN only for the following purposes in performance of the College’s duties and responsibilities. To protect your identity, HCC will protect your SSN from unauthorized access, never release your SSN to unauthorized parties, and assign you a unique student/employee identification number. This unique ID number is used for all associated employment and educational purposes at HCC.

For the student information system (Hawknet), the primary identifier for a student will be the student identification number, which will be used to access student education records, and for electronic and paper data systems that identify, track and service students. Faculty and staff will require students to provide their student identification number for all transactions and not SSNs for any transactions requiring access to student records.

The HCC Admissions Department will collect student SSNs, which is needed for federal reporting requirements. However, students are assigned a student number through the HawkNet system, which will be used. All SSNs are protected by FERPA and are never released to unauthorized parties.

Financial Services
The HCC Financial Services Office uses student SSN’s to report information to the Internal Revenue Service (IRS) via 1098T, the Florida Prepaid Tuition Plan, to third parties paying for tuition and fees on behalf of the student, for reporting information to collection agencies, and for reports required by the state and federal government.

Outreach Programs
The Upward Bound, Educational Talent Search and College Reach-Out Programs are youth outreach (intervention) projects funded by discretionary grants from the United States or Florida Department of Education (FDOE). As such, each project is required to exclusively serve eligible participants that are citizens or nationals of the United States; or, are permanent residents of the United States. In order to verify a participant’s project eligibility, SSNs are required and also later used when submitting information for the annual performance reports due to the United States or FDOE.

Workforce Programs
These programs, funded through the Agency for Workforce Innovation (AWI), use your SSN as an identifier for program enrollment and completion. Also, it is used for entering placement information into the statewide data collection and reporting system. Because these are performance-based contract programs, AWI requires that all participants and their program-related activities be recorded in the Florida state system.
SEXUAL ASSAULT

HCC Policy and Procedures

Sexual assault and any attempt to commit sexual assault are serious criminal offenses that will not be tolerated by HCC. The term “sexual assault,” is commonly used to include such criminal offenses as sexual battery, sexual abuse, sexual misconduct, severe types of sexual harassment and other offenses of this nature, including instances of assault and battery.

A sexual assault incident or attempted sexual assault either on College property, on adjacent property, or at a College-sponsored or related event, should be immediately reported to a Campus Security Officer. Immediate reporting is necessary to preserve evidence for the proof of a criminal offense. If the student wishes, HCC personnel may be contacted to assist in notifying the authorities. In turn, the incident will be immediately reported to a local law enforcement agency. An internal investigation will be conducted and it will in no way obstruct the investigation being conducted by local law enforcement. If requested by the student and reasonably available, HCC will change a victim’s academic schedule after an alleged sex offense.

College staff will assist and cooperate with local law enforcement with the investigation. Sexual assault incidents will be uniformly handled by the College in a confidential manner to the extent allowed by law and in accordance with administrative procedure.

Crisis Management Committee

HCC maintains a Crisis Management Committee that will respond to crises including sexual assaults that may occur. The committee will work directly with local law enforcement to assist with the investigation solely on an as needed basis and/or if requested by the agency. The Committee will also establish a cooperative environment for the local law enforcement agency to provide the agency assistance dealing with students, parents and staff regarding the incident and any concerns that may surface.
